WELCOME FROM SHERWOOD CC

DEAR COMPETITORS,

As the Director of Golf at Sherwood Country Club, it is both an honor and a privilege to extend a warm welcome to California's most esteemed amateur players as they converge to compete in the 113th California Amateur Championship at our club.

I am deeply grateful to our membership for their graciousness and generosity in opening our doors for this event. Their unwavering support embodies the true spirit of the game, allowing us to showcase a legacy that spans from the iconic Shark Shoot-outs to Tiger Woods' World Challenge events, along with prestigious tournaments like the PGA Tour Champions playoffs, the 2020 PGA Tour ZOZO Championship, and the 99th Southern California PGA Professional Championship.

As we eagerly anticipate the commencement of the 113th California Amateur Championship, I am filled with excitement at the prospect of witnessing the finest amateur players in the state grace our fairways. Your participation promises to contribute to the rich tapestry of Sherwood's legacy in the world of golf.

Good luck to you all!

PACE OF PLAY POLICY

MAXIMUM ALLOWABLE TIME:

The Committee at each competition will determine the maximum allowable time each group is permitted to play the round and each hole. This time will be posted on each player's scorecard, and each player and group is expected to maintain a pace that is faster than the maximum allowable time. A hole ends in stroke play when all players have holed out, and in match play, when all players hole out or the result of the hole is decided. See Rule 23.3c for when a hole is completed in four-ball competition.

IN POSITION:

Groups are expected to remain in position throughout the round. Being in position means:

- » Reaching the teeing area of a par-3 before the group ahead has teed off on the next hole.
- » Reaching the teeing area of a par-4 before the group ahead leaves the putting green of that hole.
- » Reaching the teeing area of a par-5 before the group ahead gets to the putting green of that hole.

WARNINGS, CHECKPOINTS, PENALTIES:

If a group is over its maximum allowable time and out of position, an SCGA official may issue the group a warning and provide a checkpoint by when the group must regain its position (e.g., within the next two or three holes). If a group receives a warning, it will be monitored by an SCGA official to observe its pace of play.

- » If a group successfully regains its position by the established checkpoint, there will be no penalty to any player. If the group falls out of position again later in the round, an SCGA official may provide another checkpoint by when the group must be in position.
- » If a group fails to regain its position by an established checkpoint, all players in the group will be informed that the checkpoint was missed and that one or more players in the group will be liable to receive a one-stroke penalty. The SCGA official will then provide another checkpoint by when the group must regain its position.
- » If the group fails to regain its position a second time, one or more players in the group will be liable to receive the general penalty (loss of hole in match play or two penalty strokes in stroke play).

If the Committee identifies that a player (or players) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while others may.

THE CGA TOURNAMENT COMMITTEE RESERVES THE RIGHT TO REVIEW ALL PENALTY SITUATIONS.

LOCAL RULES AND TERMS OF THE COMPETITION

The Rules of Golf as approved by the United States Golf Association and The R&A govern play. These Local Rules and Terms of the Competition are in effect at all CGA championships and qualifying rounds. See applicable championship or qualifying round Notice to Players and Entry Application for modifications or additions to these Local Rules and Terms of the Competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2023.

Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty.

OUT OF BOUNDS – Defined by the line between the course-side points of white stakes and fence posts at ground level.

PENALTY AREAS – When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds.

GROUND UNDER REPAIR – Defined by white lines. French drains are ground under repair.

Ground under repair may include areas of unusual damage but only when so declared by an authorized member of the Committee. When immediately adjacent to an immovable obstruction, such an area is part of that obstruction.

RELIEF FROM SEAMS OF CUT TURF (SOD SEAMS) – Model Local Rule F-7 as prescribed in Section 8 of the Committee Procedures is in effect.

AERATION HOLES – Model Local Rule E-4 as prescribed in Section 8 of the Committee Procedures is in effect.

EDGING GROOVES – Model Local Rule F-19 as prescribed in Section 8 of the Committee Procedures is in effect.

WHITE-LINED AREAS TYING INTO ARTIFICIALLY SURFACED ROADS AND PATHS – White-lined areas of ground under repair and the artificially surfaced roads, paths or other identified obstructions that they are connected to are a single abnormal course condition when taking relief under Rule 16.1.

WOOD CHIPS AND MULCH – Are loose impediments.

INTEGRAL OBJECTS – Include artificial walls and pilings when located in penalty areas or in or adjacent to bunkers.

PROHIBITING USE OF CERTAIN TYPES OF SHOES – Model Local Rule G-7 as prescribed in Section 8 of the Committee Procedures is in effect.

LIST OF CONFORMING DRIVER HEADS – Model Local Rule G-1 as prescribed in Section 8 of the Committee Procedures is in effect.

MISSING PLAYER OR MARKER CERTIFICATION – Model Local Rule L-1 as prescribed in Section 8 of the Committee Procedures is in effect.

PRACTICE – Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

PACE OF PLAY – See separate memorandum to players for pace of play policy.

STOPPING AND RESUMING PLAY – Model Local Rule J-1 as prescribed in Section 8 of the Committee Procedures is in effect.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged air horn note. All other types of suspension will be signaled by three consecutive air horn notes. Resumption of play will be signaled by two short air horn notes.

WHEN COMPETITION IS FINAL:

Stroke Play: When the results and/or qualifiers and alternates have been determined. At championships, when the awards have been presented.

Match Play: When the result of a match has been reported to, and verified by, the committee.

CODE OF CONDUCT* – By submitting an entry for any CGA-administered event, the contestant understands that his/her participation is at the sole discretion of the SCGA. A contestant may be removed from an event either before or during the event at the sole discretion of the CGA. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the CGA or the "Spirit of the Game" are grounds for such removal and suspension from future SCGA-administered events.

These include, but are not limited to, the following:

- Willful damage of the golf course or golf course property
- Club throwing or unnecessary club tossing
- Offensive or unbecoming language
- Public criticism of golf course or verbal abuse of SCGA staff, officials, volunteers, host club staff or other contestants
- Potential endangerment of others
- Conduct deemed unbecoming
- Failure to post scores for handicapping purposes
- Manipulation of scores posted for handicapping purposes

PENALTY FOR BREACH OF CODE OF CONDUCT

First Offense: Warning

Second Offense: Disqualification

The Committee may disqualify a player for serious misconduct in failing to meet the Code's standards

2023 CHAMPIONSHIP RECAP

ZACHERY POLLO CLINCHES BREAKTHROUGH TITLE, 5&4

When it was all finally over, Rocklin resident Zachery Pollo finally cracked a big smile.

Pollo (pronounced Po-Lo) joined the likes of Johnny Miller, Ken Venturi and Xander Schauffele as a California Amateur champion, defeating runner-up Dylan Oyama, 5 and 4, in the 36-hole final held Saturday at par-72 Lake Merced Golf Club.

An 18-year-old sophomore-to-be at University of Arizona, Pollo is one of the event's youngest winners. Mac Hunter won the 1972 title at 16.

Immediately after his victory, Pollo started receiving congratulatory texts from Wildcats head coach Jim Anderson as well as some of his teammates, including 2021 NCGA Amateur champ Sam Sommerhauser.

"It feels good. Coming into it, I knew it would be a long week," said Pollo, a former standout on the Junior Tour of Northern California. "There's a lot of golf. You just try to prepare yourself. Fortunately, I was able to come out on top."

A Pac-12 All Freshman Team pick last season, the No.14 seeded Pollo turned into a birdie machine to close out the match. Over his last 14 holes, he'd go 8-under.

Through the first 18 holes, Pollo had numerous chances to increase what was a 1-up lead but his putter didn't cooperate. At the midway break, following a quick meal Pollo went out and repeatedly practiced making 3 to 4-footers.

In the afternoon portion, he wouldn't just sink the shorter putts, he even began draining some 20 to 30-footers, including a winning eagle putt on the 32nd hole (par-5 14th).

"I didn't think my putting was all that great on the first 18. On the second 18, my putting was beyond good," Pollo said.

A sophomore-to-be at San Diego State, the No.16 seeded Oyama had never competed in an official match play event prior to the week.

His last lead was 1-up after a par win on No.12 in the morning. Through the first 25 holes, neither player ever held more than a 2-up lead.

"There's a lot of things I will stay take away from the week," said Oyama, who picked up the game from his grandfather around the age of 5. "There are also a lot of things I need to work on, including my stamina."

As for Pollo, while the week was also grueling, he's in a way been there and done. At only age 6, he competed in a 100 kilometer bike race. He also climbed Mount Whitney as a child. His mom Carrie and dad Jay are both into fitness, with Carrie even having once competed in the Boston Marathon.

"I was also tired as the week went on, but when you're in the moment, you still remain focused," Pollo said.

In the morning portion of the final, Pollo and Oyama see-sawed with neither ever holding more than a 2-up lead. Tied through 16 holes, Pollo grabbed a 1-up lead on the 17th when Oyama failed to reach the green in regulation, leading to a bogey. The two tied the 18th hole with pars.
