CGA PRESIDENT'S MESSAGE

DEAR COMPETITORS,

Congratulations on making the field of the 111th California Amateur Championship! The Southern and Northern California Golf Associations combine each year under the umbrella of the California Golf Association to conduct six men's and women's statewide championships, including the California Amateur Championship. After 1,053 players registered to participate in 12 qualifying events throughout the state, you are one of 156 players entering 36 holes of stroke play in an attempt to gain one of the coveted 32 match play spots. One of you will eventually have your name engraved on the same trophy as past winners Xander Schauffele, Jason Gore, Mark O'Meara, John Cook and two-time winners Bobby Clampett and Ken Venturi. Dozens of PGA TOUR members have competed in the California Amateur, so you are in very good company.

It is a pleasure to welcome you to our host site this year, Big Canyon CC. Big Canyon is a great test that has hosted the 2014 U.S. Senior Amateur, the 2012 SCGA Amateur, and numerous USGA qualifiers. Originally designed in 1971 by renowned architect Robert Muir Graves, the course was recently renovated by John Harbottle. Tiger Woods was granted a lifetime membership when he was a teenager and played and practiced at the course for many years while he lived in California. The course will be both a beautiful and challenging site for the Championship. The Club's membership and staff are absolutely committed to making this one of the most memorable events of your golfing career, and we know you will be wowed by the entire experience.

Following is important information on all aspects of the championship. Please review the information, as it is intended to help make your championship experience go as smoothly as possible. If there is anything you need, please reach out to the club or championship staff.

Good luck to you all!

Bob Livingstone

President, California Golf Association

 - **Cancellation within 48 hours of the start of the competition:** No refund.

PACE OF PLAY POLICY

The Tournament Committee at each competition will determine the maximum allowable time each group is permitted to play the round. **This time will be posted on each player's scorecard and each player is expected to maintain a pace faster than the maximum allowable time.** The round ends when all players in the group have holed out at the final hole. In four-ball stroke play, the round ends when all sides complete the final hole, either by both partners holing out or by one partner holing out on the final hole and the other partner choosing not to do so.

LEAD GROUP(S):

The lead group(s) must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, **each player will be assessed a penalty of two strokes** to their score for the final hole.

- » Exception: If the lead group is held up by play that was sent out before them, or play that began on another starting hole, they will be exempt from penalty if they finish over their maximum allowable time but within 14 minutes of the group in front of them.

SUBSEQUENT GROUPS:

Subsequent groups must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, they must finish within 14 minutes of the group in front of them. If they finish over the maximum allowable time and more than **14** minutes behind the group in front of them, each player will be **assessed a penalty of two strokes** to their score for the final hole.

EXEMPTIONS FROM PENALTY:

If a group does not finish within their maximum allowable time due to circumstances beyond their control (such as a ruling or a ball search on the final hole, or any other circumstances which the Committee deems to be exceptional) but was otherwise in position during the play of the final four holes, the Committee **may** be justified in waiving the penalty. Being in position means to be at a point on the course within 14 minutes of when the group in front of you was at that same point.

Any group that has a slow, deliberate, or non-responsive player may report the player to SCGA officials at any time during the round and the player will be monitored. If the tournament committee identifies that a player (or players) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while others may not.

THE CGA TOURNAMENT COMMITTEE RESERVES THE RIGHT TO REVIEW ALL PENALTY SITUATIONS.

2021 CHAMPIONSHIP RECAP

NOAH WOOLSEY ADDS NAME TO LONG LIST OF CALIFORNIA LEGENDS

Throughout the week, 22-year-old Pleasanton resident Noah Woolsey kept telling himself to believe. By the time it was over, it happened.

A senior at the University of Washington, the No.2 seed Woolsey erased an early three-hole deficit and came storming back to win the 110th California Amateur Championship over No.4 Wes Payne, 2 and 1, on a hot Saturday at The Preserve Golf Club in Carmel Valley.

Woolsey, who joins a list of California Amateur champions that includes Johnny Miller, Mark O'Meara and two-time winner Bobby Clampett, hadn't won an event since 2019. Clampett, who grew up in Carmel Valley, was among the spectators taking in the action.

"The whole week, I was just walking down the fairway telling myself, 'You can do this', over and over and over. It kind of calmed me down."

said Woolsey, who was rooted on by among others his mom, Miegen, and dad, Phil. "It's pretty crazy. I had a former California Amateur champ walking down the fairway with me. Just an incredible week."

A day after earning a spot in the 36-final via a gritty semifinals win on the 21st hole, Woolsey would quickly find himself down three holes after he opened the morning 18 holes with three consecutive bogeys. He'd twice cut the lead back to 1-up, but entered the break down three when Payne responded with a pair of birdies of his own on holes Nos. 16 and 17.

It was time again to just believe.

"My parents and others gave me a lot of encouragement, and I knew there was still a lot of golf left," said Woolsey, a former member of the Junior Tour of Northern California. "I reminded myself that I had come back in the semifinals and won. So why couldn't I do that again?"

Through the first four holes of the second 18, Payne, a 31-year-old real estate agent from San Francisco, held firm. But then on both holes Nos. 5 and 6, Payne made bogey after coming up short of the green with his approach and three-putting, respectively. The lead was suddenly just 1-up.

A hole later on the par-4 7th, Woolsey kept the pedal to the metal by holing out from 106 yards for an eagle to tie the match. "When I holed out that flipped things around for sure," Woolsey said. "It was like all the holes before didn't matter."

Still riding the momentum, Woolsey would go on to take his first lead of the match on the 28th hole (par-4 10th) when Payne's second shot bounded into the thick rough to the right of the green, leading to another bogey. Suddenly holding his first lead of the match, Woolsey kept it going with a birdie win on

the 11th and a par win on the 14th to take a commanding 3-up lead.

Payne, the runner-up at last year's NCGA Amateur Championship at Spyglass Hill, did cut the deficit back to 1-up with a par win on the 15th and a birdie win on the par-3 16th. But Woolsey yet again refused to give in. On the par-5 17th, still holding a 1-up lead, Woolsey hit a terrific pitch shot from just below the green to within a few feet of the flagstick to save par. Payne, meanwhile, could only watch as his own pitch attempt landed short, rolling back off the green and eventually leading to a bogey.

"I just played bad in the afternoon. There's no other way around it," said a dejected Payne afterwards. "I putted awful, and I hit some shots that I didn't hit all week."

Woolsey, meanwhile, will head to among other events such as the Pacific Coast Amateur with some extra confidence. And belief in himself. Earlier in the week, he was as member of Team NCGA Pacific Coast Amateur,

"I'm exhausted but also so excited," he said. "I didn't ever get fazed, even when I was down three through three. I just kept believing in myself."

BIG CANYON CC Q&A

PAST CHAMPIONS AND CURRENT BIG CANYON CC MEMBERS DON DUBOIS AND JORDAN NASSER PROVIDE THEIR SENTIMENTS ON THE CALIFORNIA AMATEUR BEING HELD AT THEIR HOME CLUB:

Q: What did it mean for you to win the California Amateur Championship?

NASSER: Winning the California Amateur is the highlight of my golfing career. Growing up in Southern California, I always wanted to be a part of this event. Having the chance to compete and win at Pebble Beach was a dream come true.

DUBOIS: This was a lifelong goal of mine to win the State Amateur as I played my first one when I was 16. To win it 30 years after my first attempt was a truly great feeling!

Q: How did that victory support your development and golfing career?

NASSER: Being a California State Amateur Champion opened a lot of doors for me to play in elite tournaments at fantastic courses around the nation. I am so thankful for those opportunities as well as for getting the chance to meet so many amazing people along the way.

DUBOIS: Well it was fun to do it late in life and share it with family and get invited to the Crump Cup at Pine Valley.

Q: What are your lasting memories of your winning performance?

NASSER: Having my dad on my bag and my mom walking alongside me for the entire event is a memory I will always cherish. My parents have always supported me and my golf career, and it was such an incredible feeling getting to celebrate the win with both of them.

DUBOIS: Coming back in the semifinals, one down, two to go with a birdie on 17 and winning on 17 in the championship match.

BIG CANYON CC Q&A

Q: Past champions include the likes of Ken Venturi, Johnny Miller, John Cook, Mark O'Meara, and Xander Schauffele. How does it feel to have your name on that same trophy?

NASSER: I am always humbled and amazed to be a part of the group of champions. When I was young, I looked up to Southern California Amateur legends like Don DuBois, Tim Hogarth, and Ed Cuff. To have my name on the same trophy as them and many other great champions is a true honor.

DUBOIS: The State Amateur has always been special to me and to be on the wall at Pebble Beach is an honor.

Q: What does this event mean to amateur golf in the state of California?

NASSER: I believe the SCGA and NCGA are among the finest golf associations in the country, and they put on the best State Amateur Championship in the nation. If you are from California, this is a "must play" event showcasing some of the best courses in the state.

DUBOIS: It is the ultimate test outside of USGA events for those of us who grew up in California.

Q: You were the last two champions of this event when it was played at Pebble Beach Golf Links. Now that this event rotates between Southern and Northern California, what does it mean to play this championship at your home club?

NASSER: Big Canyon Country Club is a special place that has given me so many memories with my children, friends, and family. My wife and I got married at Big Canyon a couple of weeks after the 2012 SCGA Amateur was held there, and 10 years later I am so excited to have the state Amateur at my home club! It is a wonderful match play course and will provide a great test for the field. The course will be in fantastic shape in June. I think players will find the membership, facilities, and staff is second to none.

DUBOIS: Very excited to see Big Canyon host the championship and have their piece of California golfing history! Hopefully, our slick, tough greens will produce a great champion.

Don DuBois, 2005 California Amateur Champion at Pebble Beach Golf Links.

Jordan Nasser, 2006 California Amateur Champion at Pebble Beach Golf Links.
