CADDIES

Players may provide their own caddie (see section on Golf Carts).

PACE OF PLAY POLICY

The Tournament Committee at each competition will determine the maximum allowable time each group is permitted to play the round. **This time will be posted on each player's scorecard and each player is expected to maintain a pace faster than the maximum allowable time.** The round ends when all players in the group have holed out at the final hole. In four-ball stroke play, the round ends when all sides complete the final hole, either by both partners holing out or by one partner holing out on the final hole and the other partner choosing not to do so.

LEAD GROUP(S):

The lead group(s) must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, **each player will be assessed a penalty of two strokes** to their score for the final hole.

- » Exception: If the lead group is held up by play that was sent out before them, or play that began on another starting hole, they will be exempt from penalty if they finish over their maximum allowable time but within 14 minutes of the group in front of them.

SUBSEQUENT GROUPS:

Subsequent groups must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, they must finish within 14 minutes of the group in front of them. If they finish over the maximum allowable time and more than **14 minutes** behind the group in front of them, each player will be **assessed a penalty of two strokes** to their score for the final hole.

EXEMPTIONS FROM PENALTY:

If a group does not finish within their maximum allowable time due to circumstances beyond their control (such as a ruling or a ball search on the final hole, or any other circumstances which the Committee deems to be exceptional) but was otherwise in position during the play of the final four holes, the Committee **may** be justified in waiving the penalty. Being in position means to be at a point on the course within 14 minutes of when the group in front of you was at that same point.

Any group that has a slow, deliberate, or non-responsive player may report the player to SCGA officials at any time during the round and the player will be monitored. If the tournament committee identifies that a player (or players) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while others may not.

THE SCGA TOURNAMENT COMMITTEE RESERVES THE RIGHT TO REVIEW ALL PENALTY SITUATIONS.

LOCAL RULES AND TERMS OF THE COMPETITION

The Rules of Golf as approved by the United States Golf Association and R&A Rules Limited govern play. These Local Rules and Terms of the Competition are in effect at all SCGA championships and qualifying rounds. See applicable championship or qualifying round Notice to Players and Entry Application for modifications or additions to these Local Rules and Terms of the Competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2019.

OUT OF BOUNDS — Defined by the line between the course-side points of white stakes and fence posts at ground level.

PENALTY AREAS — When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds.

PRACTICE — Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

PACE OF PLAY — See separate memorandum to players for pace of play policy.

STOPPING AND RESUMING PLAY — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule J-1.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged air horn note. All other types of suspension will be signaled by three consecutive air horn notes. Resumption of play will be signaled by two short air horn notes.

WHEN COMPETITION IS FINAL — A competition is deemed to have closed when the result (including the result of a playoff, if applicable) has been officially announced or, in stroke play qualifying followed by match play, when the player has teed off in his/her first match.

CODE OF CONDUCT* — By submitting an entry for any SCGA-administered event, the contestant understands that his/her participation is at the sole discretion of the SCGA. A contestant may be removed from an event either before or during the event at the sole discretion of the SCGA. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the SCGA or the "Spirit of the Game" are grounds for such removal and suspension from future SCGA-administered events.

These include, but are not limited to, the following:

Second Offense: Disqualification

*The Committee may disqualify a player for serious misconduct in failing to meet the Code's standards.

ABOUT VIRGINIA COUNTRY CLUB

The Virginia Country Club is a historical and wonderful member's course. A.W. Tillinghast and William P. Bell were primarily responsible for conceiving the current layout during the "Golden Age of Design" in America. By today's standard, it is not a long golf course. However, it is a great shotmaker's track with small greens and interesting terrain that creates nice variety throughout and gives the player the thrill of natural contours playing up, down and across the various elevation changes.

The late John Harbottle III was the last to restore the golf course and while he kept the pursuit to maintain the Club's classic design, Harbottle made efforts to provide the modern player with an aspiring test of golf.

In 1909, the business partners of the Virginia Hotel embarked on a magnificent golf course project. In 1910, a 10-year lease was signed with the Alamitos Land Co. for almost 120 acres near a eucalyptus grove about seven miles east of the downtown business district. According to the 1949 issue of "The Golfer" magazine: "The course itself was built in the center of a sheep-grazing pasture, with the clubhouse -- a modest structure costing \$3,500 -- atop Reservoir Hill. It was a 116-acre site on the west sector of the Bixby Rancho. It was a nine-hole pasture-fairway course -- the sheep kept it mowed. It had sand greens and the major greenkeeping expense was in the crude oil they used to keep the putting surfaces good."

The "Splash Hole" became the signature hole at the Virginia Country Club's original location. The short par-4 16th hole pictured to the left, featured a tee perched on a pier that extended onto a lake. It tormented golfers with a forced carry over water and an uphill approach to the green. The Club's first layout opened on April 30, 1910 with nine holes. The Club members designed the first course themselves, "complete with sand greens and a few hazards to go along with those nature created." Recognizing the need to hire a professional architect to route the tree-studded rough countryside, they hired a renowned Scottish architect Willie Watson.

As the 10-year lease with the Alamitos Land Company was nearing its end, a special search committee was formed to find a new home for the club and course. They contemplated buying the Rancho Los Alamitos site, but in 1920 they decided to move Virginia Country Club to a new 135 -acre tract in Rancho Los Cerritos, next to the Old Adobe ranch house that still stands today as a historic landmark.

Although Club records are not absolutely clear, the new, current-day location of Virginia Country Club was designed by Willie Watson and opened on August 31, 1921. Some ten years later, William P. Bell and A.W. Tillinghast had a hand in a redesign of the course, and Robert Muir Graves and Edmund B. Dearie would lead renovations over the next few decades.

When it came time for the Club to restore the luster to its classic, vintage design, the search led to John Harbottle III who oversaw the most recent major golf course renovation that took place in 2001-2002.

Several renovations throughout the Club's history created an "eclectic" course with characteristics of various decades of golf course design. "The continuity of the classic old design was missing," said Harbottle.

Harbottle oversaw a repositioning of many bunkers on Virginia's course to accommodate the increased distance that modern golfers achieve both off the tee and into the green. In addition he was also able to restore the distinctive aesthetic style of Bell's original design, including the greens surrounds that had changed over time. His work helped Virginia Country Club return to the continuity of the old VCC and "play like the classic old gem it is."

One would ponder what the three classic golf course designers whose work Harbottle helped to restore would think of the course today. But what few could challenge is that he restored Virginia Country Club into a layout that is loved, admired and respected by players from all around the world.

John Harbottle's untimely death in 2012 left a lasting void for the members of Virginia Country Club. His legacy and contributions will be remembered through his impressionable work for the Club. He has become and will always be an integral part of VCC history.

As Virginia Country Club embarks on a new turf grass enhancement project in 2015, newly acquired golf course architect Todd Eckenrode of Origins Golf Design will be taking the helm where John Harbottle left off.

LUKE POTTER

2020 SCGA AMATEUR CHAMPION

CHAMPIONSHIP RECAP

POTTER BECOMES YOUNGEST-EVER SCGA AMATEUR CHAMPION

It was a bad week to be an SCGA Amateur Championship record book. After 72 holes proved not enough to crown a victor, 16-year-old Luke Potter survived a three-hole play-off to become the youngest-ever champion in the 121-year history of the storied championship.

Beginning the final round, five shots back of overnight leader Caden Fioroni, Potter obliterated the front-nine to the tune of a ridiculous 7-under 28 to catapult himself into a tie for the lead at the turn. During the first seven holes of play, Potter had five birdies and an eagle. Fioroni, fresh off an SCGA individual round scoring record of 9-under 61 in the third round, was playing well himself with two birdies on his outward half and made the turn in a tie with Potter. On the back-nine, the putts that dropped for Potter during his blazing start began to dry up. The Arizona State commit converted par-after-par and protected his spot atop the leaderboard. A birdie at the par-5 No. 17 gave him a one-shot cushion on Fioroni, who was playing two groups behind the youngster. Potter pared the tough finishing hole, and posted 15-under in the clubhouse.

Meanwhile, Fioroni was playing steady with a birdie on the drivable par-4 No. 14 and then took a one-stroke advantage after a birdie on the mammoth par-5 No. 17. After a perfect drive on arguably the toughest finishing hole in Southern California, Fioroni took dead aim on back right pin location and landed 40 feet short, just off the putting surface. With two putts to secure the title, Fioroni sped his first putt 10 feet past and was unable to make the comeback, forcing a three-hole aggregate playoff.

Starting on the par-3 No. 16, both players missed the green but Potter was able to get up-and-down while Fioroni suffered a bogey on the opening hole. But the Pepperdine freshman bounced back with a 15-foot twisting putt on No. 17 as Potter saw his birdie effort slide by. Standing on the final tee box all tied up, both players pumped drives to left side of the fairway, setting up perfect angles for their final approaches. Fioroni found the center of the green, while Potter left his effort 20 feet below the hole, leaving an uphill putt for birdie. Fioroni's 30-foot effort looked great the entire way to the cup, only to see it slide just below the hole. The scene was set for Potter, and he pounced on the opportunity, draining a dramatic final putt and etching his name into Southern California golf lore.
