PEBBLE BEACH GOLF LINKS

There are few golf thrills like teeing-up for the first time on Pebble Beach Golf Links. In an effort to return to venues with deep and meaningful USGA championship history every five to six years, Pebble Beach Resorts joins Pinehurst Resort & Country Club and Oakmont Country Club as a U.S. Open anchor site.

Since 1919 Pebble Beach Golf Links has been the site of golf's most prestigious tournaments and will continue to host the following USGA championships:

2027 U.S. Open

SPYGLASS HILL GOLF COURSE

Spyglass Hill Golf Course takes its theme from Robert Louis Stevenson's classic novel, Treasure Island, published in 1883. Local legend maintains that Stevenson once wandered the Spyglass area gathering ideas for his novels. With this in mind, Robert Trent Jones Sr. set about creating a treasure of his own.

Opened in 1966, Spyglass Hill Golf Course features two distinctly different kinds of terrain that influence the way the holes look and play. The first five holes roll through sandy seaside dunes challenging you to carefully pick the safest path. The following 13 holes are cut through majestic pines with elevated greens and strategically placed bunkers and lakes to grab the errant shot. Hole names such as "Black Dog" and "Billy Bones" are hints for the unwary.

Spyglass Hill Golf Course is rated one of the toughest courses in the world from the Championship tees, boasting a course rating of 75.5 and a slope rating of 144. The PGA TOUR consistently lists Spyglass Hill holes 6, 8 and 16 among the toughest on the TOUR, and during the 1999 United States Amateur, the stroke average of the field during medal play was in excess of 79.

THE LINKS AT SPANISH BAY

Spanish Bay recalls the original Scottish concept for the game of golf, established over five hundred years ago. This was the intention of the design team, Robert Trent Jones Jr., Tom Watson and Sandy Tatum, in their creation of a true links golf course. Links is an old Scottish word for sandy wasteland, usually near the sea, with bristly grasses and ever prevailing wind. The Links at Spanish Bay are so authentic that even the Monterey coastline mirrors the rugged, natural beauty of Scotland.

Here, the golf course provides you with the choice of using your regular shot or a low, running shot to play the firm turf while keeping the ball under the steady ocean breezes.

The Links at Spanish Bay was also built with a deep respect for environmental preservation. To further continue this mission, we have designated "environmentally sensitive" areas. Drops are allowed outside of these areas, so we ask for your understanding and cooperation to help us preserve the native plants, birds and animals that make this course so special.

Every evening, our bagpiper closes the course in Scottish tradition.

THE HAY

A Reimagined Short Course Experience at Pebble Beach

The Hay has been a fixture at Pebble Beach since 1957, when famed Head Professional Peter Hay revolutionized the concept of a short course. Hay's vision was to create a fun place where juniors, families, and friends, regardless of their ability, could gather around the game of golf.

In 2021, Tiger Woods amplified Hay's vision in a way few could have imagined with his brilliant redesign of the property. The result is a course overflowing with fun, including an exact replica of the famed No. 7 at Pebble Beach Golf Links, as well as holes designed to be played with any club in the bag, and an additional 20,000 square-foot putting course that sprawls 100 yards, yielding endless routings.

It's Pebble Beach, the Tiger Woods way. Play The Hay!
